# Urology Update 2012 November 3-4

New Ideas  
Approaches  
and  
Techniques

*New location:*

Hilton Toronto  
145 Richmond Street West  
Toronto, Canada

*Presented by:*

The Department of Surgery, Division of Urology

UNIVERSITY OF TORONTO  
FACULTY OF MEDICINE

# Urology Update 2012

This seminar will provide an in-depth update of various topics in clinical urology. New developments will be presented by world-renowned experts in their fields. All of the lectures will be supplemented with discussions, case presentations and audience participation. Participants will gain an understanding of the new developments and have a balanced view of various alternatives. Participants will increase their knowledge in these areas to facilitate management of clinical problems.

## Topic Highlights

- Incontinence & Voiding Dysfunction
- Prostate Cancer
- Kidney & Upper Urothelial Cancer
- Pediatric Urology
- New Anticoagulants:  
What We Need to Know
- Testosterone Replacement Controversy

## Accreditation

Continuing Education and Professional Development (CEPD), Faculty of Medicine, University of Toronto, is fully accredited by the Committee on Accreditation of Continuing Medical Education (CACME), a subcommittee of the Committee on Accreditation of Canadian Medical Schools (CACMS). This standard allows CEPD to assign credits for educational activities based on the criteria established by The College of Family Physicians of Canada, and the Royal College of Physicians and Surgeons of Canada.

Additionally, the Accreditation Council for Continuing Medical Education of the United States (ACCME) maintains a reciprocity relationship with CACME, which the American Medical Association (AMA) recognizes for the purpose of allowing Canadian medical schools the ability to accredit activities for *AMA PRA Category 1*. As a result of a reciprocal agreement between the AMA and the European Accreditation Council for CME (EACCME), this agreement permits CEPD to assign EACCME credits.
